This is the most interesting general Kenyan social history that I have had the pleasure to read for many years. It fills a large gap in the colonial history of Kenyan women as they negotiated changes in the most domestic areas of their experience. A part of Eastern Africa, the territory of what is now Kenya has seen human habitation since the beginning of the Lower Paleolithic. The Bantu expansion from a West African centre of dispersal reached the area by the 1st millennium AD. With the borders of the modern state at the crossroads of the Bantu, Nilo-Saharan and Afro-Asiatic ethno-linguistic areas of Africa, Kenya is a truly multi ...
