The phrase “arts and crafts” comes from the historical period in art history called the Arts and Crafts movement. Arts & Crafts sounds like a cutesy name for a movement that started as an act of rebellion, but that’s exactly what happened. In England in the mid-1800s, designer and poet William Morris grew tired of the uniformity and “soulless” architecture, design and artwork that were byproducts of the industrial revolution. The Arts and Crafts of Today. Delivery 30th October 1889 as the presidential address to the Applied Art Section of the National Association for the Advancement of Art at a meeting held in Queen Street Hall, Edinburgh; Publication The Arts and Crafts movement, or the aesthetic movement, was born out of this opposition. The movement, which thrived between 1860 and 1910, was devoted to art and beauty in the form of work by skilled craftspeople and artists.
