History of Philosophy. The safest general characterization of the European philosophical tradition is that it consists of a series of footnotes to Plato. The United States homefront during World War I saw a systematic mobilization of the country's entire population and economy to produce the soldiers, food supplies, ammunitions and money necessary to win the war. Although the United States entered the war in April 1917, there had been very little planning, or even recognition of the problems that Great Britain and the other Allies had to solve ...
