

# Download Courtesan's Daughter

The Courtesan's Daughter is an excellent comedy of manners with terrific characterisation and a well crafted story line. It is also very funny indeed. Well worth reading. The Courtesan's Daughter was a great book. The characters were carefully drawn out, creating a mental image that made it easy to read. Im not a person who likes history, but this book made me forget that I was actually learning. Sophia Dalby was a courtesan who became a countess. Her daughter Caroline is unmarriageable because of her mother's past. Lord Ashdon is the son of Sophia's bitter enemy, so of course, she thinks he is the perfect one to marry Caroline. Courtesans Daughter has 130 ratings and 15 reviews. Catherine said: This book was okay, but not great. The storyline itself was not overly interesting un...
