

Download Manitoba And Saskatchewan Birds

Its been a rainy few weeks since my last update, but migration is in full swing. I've found many nice species and have trawled parks and scanned alley ways and backyards looking for a glimpse of a colorful warbler , or something else passing through on its way south.I would suggest starting with bird houses for chickadees, house wrens or red-breasted nuthatches. These birds are found across Canada and are very popular, friendly little birds.DOA Outfitters is a father/son owned outfitting business.
