Accelerated interconnectivity, driven by the proliferation of internet-connected devices, has led to an explosion of data—big data. A race is now underway to develop new technologies and implement innovative methods that can handle ...Dear Twitpic Community - thank you for all the wonderful photos you have taken over the years. We have now placed Twitpic in an archived state. Business, commerce, and industry in Arkansas developed with the help of Arkansas's natural resources. In the twentieth century, former governor Charles Hillman Brough boasted that if Arkansas were walled off from the rest of the nation, it could exist independently due to the fertile soil, multitude of minerals, and wide variety of trees. In addition, Arkansas's location in the central ...Corning, incorporated in August 1877, was the first of Clay County's two seats (Piggott is the other). Corning is the judicial seat for the county's Western District and is the commercial and educational center of western Clay County.
